

International Conference on Molecular Basis of Diseases & Therapeutics

March 8-10, 2019

Venue: Central University of Rajasthan, Kishangarh, Ajmer, Rajasthan INDIA

Organized by
School of Life Sciences
Central University of Rajasthan

ICMBDT-2019 aims to bring together the National & International Scientists, Researchers, and Industrial Collaborators to share their expertise and latest developments in the field of molecular basis of diseases and therapeutics.

Chief Patron

Prof. A. K. Pujari, Honorable Vice Chancellor

Patrons

Prof. A. K. Gupta, Prof. Pradeep Verma, Prof. M. Krishnan

Convener

Dr. Pankaj Goyal

Organizing Secretaries

Dr. Chandi C. Mandal, Dr. Janmejay Pandey, Dr. Jay Kant Yadav

Conference Themes

Molecular Basis of Diseases

- Cancer and Related Diseases
- Infectious Diseases and Parasitology
- Non-Infectious and Lifestyle Diseases
- Diseases of Protein Aggregation
- Metabolic Disorders & Diseases
- Microbiome Dysbiosis Diseases
- Reproductive Disorders
- Plant Diseases

Molecular Therapeutics

- Pharmaceuticals and Nanomedicine
- Immunotherapy & Stem Cell Therapy
- Biomarker Discovery & Disease Diagnostics
- Systems Biology & Genome Editing
- Traditional Indian Medicine
- Biomaterials, Biomedical & Tissue Engg.
- Nutritional Therapy

Special Sessions

Bio Entrepreneurship

Industry- Academia Meet

Important Dates

About the Conference:

International Conference on Molecular Basis of Diseases and Therapeutics, (ICMBDT) – 2019 is being organized by School of Life Sciences, Central University of Rajasthan. This is a key conference dealing with various issues in the area of molecular medicine. The major objective of this conference is to provide an innovative, multi-disciplinary and comprehensive overview of the latest research developments in the field of molecular medicine including the recent approaches in holistic medicine and therapies. The other major objective of this conference is to provide an opportunity for young aspiring researchers to meet with the experts that may have defining roles in their future research perspectives. The conference is expected to be attended by 800 to 1000 participants from various parts of the country as well as ~50 participants from highly reputed foreign universities and institutes. In addition, during the ICMBDT- 2019, the organizers would like to propose for establishment of an academic and research-oriented, non-profit society with the name of **Indian Society of Molecular Medicine**.
