### ORDINANCE 03

#### EXAMINATION AND EVALUATION

As stipulated under Section 28(1) (g) and Statue 12 (12(2) (xiv) of the Central Universities Act, 2009

- (1) The School Board may, with the approval of the Academic Council, provide for the minimum requirement of courses in a programme and examination thereof.
- (2) Each course shall be allotted credits depending on the quantum of work required to be done for teaching / learning of the course in a semester. The assigning of credits to a course shall be based on the principle that one hour of theory lecture or tutorial per week shall be allotted one credit while two/three hours of practicals / field work in a week shall carry one credit.
- (3)
  - (a) Every department will announce, prior to the commencement of the semester, the courses on offer and the names of course instructors in the particular semester along with the prerequisites of each course, indicating the core courses (compulsory), optional courses and audit courses. If a student wishes to audit a course, the attendance requirement can be waived at the discretion of the department and by taking into account the student's background and aptitude with the condition that the student shall meet all the requirements of the tests / seminars / assignment and examinations.
  - (b) Every student, on the first day of the semester will be advised to register only for just as many courses as he can cope with, but the total of the credits of the courses registered in the parent department must not be **below 16** in any semester. Thus, the first day of the semester will be utilised by the faculty of the department for meeting the students individually and completing the registration process.
  - (c) A student will be given time of two weeks from the date of commencement of semester to finalise his choice of courses which will be done on individual student basis through counselling by the student advisor and the Head of the parent department by taking into account the student's progress, attendance etc. A student thus has an opportunity to opt out of a course within two weeks if the student wishes to take the course during the following year / semesters so as to match the load to his or her ability.
  - (d) Once the choice of courses is finalised, the department will communicate to the University the consolidated list of courses registered by the students, indicating separately the courses being audited, of the department to the Academic Section / Controller of Examinations within one month of the commencement of a semester. This will form the basis for application of regulations regarding attendance, SGPA / CGPA and promotion to the next semester.

- (e) Every student who has registered for a programme shall complete the full quota of the credits stipulated for the programme in not more than twice the total duration of the programme. A student who is asked to repeat a course may be allowed more time if recommended by the Head of the concerned Department.
- (4) A student may be permitted to do certain courses in another Institution subject to compatibility of course content and assessment process with the prior approval of the department, and the University may allow transfer of credits of such courses on the recommendation of the Dean of the school. Similar benefit could also be given, on the recommendation of the Dean of the school, if a student has successfully completed a course, equivalent to a core course of the programme for which the student has registered, in a recognised Institution prior to joining a programme.
- (5) No Student shall be permitted to appear at the End of Semester Examination (hereinafter referred to as “EoSE”) unless he has attended a regular course of study prescribed for the Programme, i.e., he shall be required to put in a minimum of 75% of attendance in lectures, seminars, tutorials and preceptorials provided that the requirement of attendance shall not apply to any Audit Course and Self-study course organized by the University for which there shall be no formal class room instruction.
- (6) The School Board, on the recommendation of the Department concerned, may condone shortage of attendance up to 5%. Cases of shortage of attendance more than 5%, but less than 15%, may be recommended by the Board for consideration of the Vice-Chancellor, with justification, if any, whose decision thereon shall be final.
- (7) (a) For passing a semester, the assessment of a student shall be based on
- (i) Continuous Internal Evaluation (shortly called ‘CIE’) of 50% marks in each course; and
  - (ii) End of Semester Examination (‘EoSE’) of 50% marks in each paper.
- (b) For a course, the CIE shall have three components, viz. Components 1, 2 and 3.
- i) There shall be three Internal Assessment (IA) tests in each course in a semester with at least two of these in the form of formal tests, the third one can be a formal test, a seminar, a viva-voce examination or an equivalent procedure ensuring that the level of difficulty and the standard of evaluation are commensurate with the student’s performance in tests. A home assignment if given should be evaluated as stipulated in (viii) d.
  - ii) The two best scores out of the three IA tests will be taken in arriving at the final grade in the course. This will provide relief for contingencies arising

out of illness or other extra-ordinary circumstances and it avoids the need for special tests for the absentees.

iii) The relative weightage of the components of assessment will be as given in the following table. There shall be four components in the final score in any course:

- Score in the best of the three IA tests –Component I
- Score in the second best of the three IA tests - Component II
- Score awarded by the course instructor based on Class attendance/ / participation/ discipline/seminar/ surprise test etc. - Component III
- Score obtained in the End of Semester Examination -EoSE

<b>Component</b>	<b>Description of the Component</b>	<b>Relative Weightage (Out of 100)</b>
Component 1	The highest of IA Tests 1,2 and 3.	20
Component 2	The second highest of IA Tests 1,2 and 3	20
Component 3	Attendance and class room participation, Viva-Voce / Group Discussions / Tutorials / Case Studies etc.	10
EoSE	Performance at the EoSE	50

- iv) A student who misses out two or all the three of IA Tests 1,2 and 3 on whatever grounds shall not be permitted to appear for the EoSE.
- v) A student is required to score a minimum of 35 % in each course in the EoSE of every semester.
- vi) Internal assessment tests I, II and III may be spaced out with an interval of about a month.
- vii) There shall be no retest in any of the IA Tests 1,2 and 3. If a student appears for only two out of the three IA tests, the student shall be awarded marks on the basis of his / her scores in those two IA tests attended by him/her and with a weightage of 40 out of 100. [Examples: A student scoring 12 in IA Test I, 15 in IA Test II and 14 in IA Test III will be awarded  $12 + 15 = 27$ , sum of best two, out of 40. A student scoring 12 and 15 in any two of IA tests I, II and III who is absent for one of the three tests will be awarded 27 out of 40]
- viii) A student who is absent for two or all three IA tests will NOT be permitted to appear for the EoSE and will be required to redo the particular course or an equivalent one in subsequent semesters. However, if the student has put in the necessary minimum attendance, he may be permitted to take the IA Tests in a subsequent semester when the course is on offer in the department.

- (c) The norms and standards of evaluation of the performance of a student in various components of Internal Assessment shall be such as may be determined by the concerned Department and approved by the School Board.
- (d) For evaluation of Home Assignment, the University may employ one or more assessment tools such as objective tests, paper presentation, problem solving, laboratory work etc., suitable to a course.
- (e) There shall be one written / laboratory based EoSE of three hours duration carrying 100 marks in each course covering the syllabus prescribed for the course.
- (f) Wherever necessary, external examiners shall be appointed by the Vice-Chancellor for evaluating the performance of students at the EoSE on the recommendation of the Head of the concerned department.
- (g) Evaluation of Project Report / Dissertation and viva-voce examination shall be made jointly by the supervisor of the student and one other examiner to be appointed by the Vice-Chancellor.
- (h) A student will be deemed to have earned the credits allotted to a course, if he obtains the minimum pass marks in the course, taking the marks obtained by him in CIE and EoSE of that course into consideration.
- (8) The minimum pass marks for a course will be 35% or 'D' grade on the seven point Scale.
- (9) The grades shall be awarded as per scheme given below in Table1:

The minimum pass marks for a course will be 35% or 'D' grade on the seven point Scale.

**Table 1: Award of Grades and Grade Points on seven point scale**

<b>Academic performance</b>	<b>Grade</b>	<b>Grade Point</b>	<b>Percentage Equivalent</b>
Outstanding	O	5.50-6.00*	75-100
Very Good	A	4.50-5.49	65-74
Good	B	3.50-4.49	55-64
Average	C	2.50-3.49	45-54
Below Average	D	1.50-2.49	35-44

Audit	AU	-	-
Incomplete	I	-	-
Withdrawl	W	-	--
Continued Project	X	-	-
Non Completion of Course requirement	Z	-	-

\* An increase in one mark in the range 75-100 is equivalent to an increase in 0.02 grade point in that category.

For example in the category of Outstanding

- (i) 75 marks is equivalent to 5.50 grade point
- (ii) 78 marks is equivalent to 5.56 grade point
- (iii) 86 marks is equivalent to 5.72 grade point
- (iv) 100 marks is equivalent to 6.00 grade point

Similarly grade point equivalence can be work- out in other category.

### **Explanation:**

#### **‘E’ and ‘F’ Grades**

The ‘E’ and ‘F’ grades respectively denote poor and fail performance in the course as a whole and shall amount to failing in a course; ‘F’ grade is awarded in case of a student not allowed to appear for EoSE due to poor attendance. A student has to repeat all compulsory / core courses in which he/she obtains either ‘E’ or ‘F’ grade, until a pass grade is obtained. A student failing in the final project will also be required to repeat the same. In such elective or other courses in which ‘E’ or ‘F’ grade is obtained, a student may take the same course or take any other course in lieu of that course from the same category. The ‘E’ or ‘F’ grade secured in any course stay permanently on the grade card. The weightage of these grades is not taken into consideration in the calculation of the Cumulative Grade Point Average (CGPA); however, these are counted in the calculation of the Semester Grade Point Average (SGPA). A candidate failing in a course and obtaining ‘E’ grade shall be required to appear only in the EoSE of that course at the next earliest opportunity. However, if a candidate opts to repeat his Sessional tests also, he/she may be permitted to do so. In that case, his/her earlier marks shall automatically stand cancelled. A candidate failing in a course and obtaining ‘F’ grade, shall be required to repeat the entire course at the earliest opportunity. A student who is not permitted to appear at the EoSE on account of shortage of attendance shall have to attend the course again and put in minimum attendance required, in order to be eligible to appear in the EoSE.

#### **AU Grade**

This grade is awarded to an audit course and is not counted in the computation of SGPA/CGPA.

A student who is not allowed to appear for the EoSE in a particular course may on fulfillment of attendance and other requirements, appear for the EoSE in a subsequent semester when the course is on offer by making a request at the start of that semester to the concerned head / Coordinator of the department. If the particular course has been modified or discontinued, the student shall be advised to take a specific equivalent course by the Head/Coordinator of the department, determined on the basis of the contents, standard and the number of credits.

#### **‘I’ Grade**

This refers to an ‘incomplete’ grade, which is required to be converted into a regular letter grade under the following circumstances:

If a student is absent during EoSE of a course due to medical or some other reason of compelling nature or such other special circumstances, he/she may apply for the award of ‘I’ grade to the Head of the Department offering the course, through the Course Coordinator, provided that he/she has attended 75% of the classes held in the semester. The Head of the Department may grant ‘I’ grade on his request under intimation to the Academic section. A second examination shall be held normally within 10 days of the last day of EoSE to convert ‘I’ grade to proper letter grade not exceeding ‘B’. Under special circumstances, due to which the student is unable to be present in the Institution for taking the second examination during ten days period following the last day of the EoSE, the Dean of School on the recommendation of the concerned Head of the Department, may extend the period for conversion of I- grade as mentioned above, to the first week of the next semester.

### **‘W’ Grade**

This refers to withdrawal from a course as per following provision:

A student who wants to withdraw from a course shall apply, through the Head of the Department, to the Dean of School on a prescribed form within one week from the end of the first IA test if advised by his/her Course Coordinator (the teacher in-charge of the course; if a course is offered by more than one teacher, one of them will be designated as the course coordinator). If his request for withdrawal is granted, it will be recorded in the Registration record of the student and the concerned Course Coordinator will be informed about the same. Such a student shall be awarded a withdrawal (W) grade at the end of the semester.

### **‘X’ Grade**

This grade is awarded for incomplete Project work and will be converted to a regular grade on the completion of the Project work and its evaluation.

(10) Following shall be the general guidelines for the award of grades:

- (a) Evaluation of different components of a course shall be done and marks awarded to all the students taking the course in a semester.
- (b) The marks obtained by a student in various components shall be given relative weightages and added to obtain the total marks secured by a student on a 100-point scale. The weights shall be as given in the table at Article 7 (b) (iii). The rounding off, if any, shall be done on the higher side.
- (c) ‘D’ grade shall not be awarded to a candidate with percentage of marks less than 35.

- (d) No student having 35% or more marks shall be awarded a failing grade, i.e., 'E' or 'F' grade.
  - (e) On the initiative of the Course Coordinator, the provisional grades shall be awarded by the Coordination Committee of the course, consisting of all the teachers involved in that course. The grades shall normally be finalized within 7 days of the EoSE.
  - (f) In case of any ambiguity or lack of clarity, or for ensuring near uniformity of evaluation standards, the grades so awarded by the Coordination Committee may be moderated by a Grade Moderation Committee constituted by the Dean of concerned School for all the programmes in a Department. This Committee will finalize the grades and display a copy of the grades awarded to the candidates on the Notice Board of the Department/Academic Section. All the final grades shall be communicated to the Academic Section within 15 days from the last date of the EoSE. The Course Coordinator shall retain a copy of the records of the marks obtained and grades awarded to all the students registered in a course and shall forward one copy of all such records to the Head of the Department.
  - (g) The procedure for evaluation and award of grades in project, training, seminar, group discussion etc. shall be such as may be decided by the School Board.
- (11) **Project evaluation and the award of 'X' Grade.-** A student is required to carry out a Project and submit project report as per requirement of his course. A student who is unable to complete his/her project shall be awarded an 'X' grade on the recommendation of an Evaluation Committee constituted by the Vice-Chancellor. The student concerned shall have to present his/her work to the Evaluation Committee latest by 4 weeks before the beginning of the next semester. An 'X' grade shall be awarded to a candidate under the circumstances described below and on being awarded 'X' grade, he/she shall be required to formally register for the next semester and pay fees as prescribed by the University. 'X' grade will be awarded in exceptional circumstances only when the submission of the project report is beyond the control of the student, on the recommendation of his/her supervisor. Normally, the following shall be the grounds for the award of 'X' grade:
- (a) medical grounds; and
  - (b) technical reasons.
- (12) A student obtaining 'D' or a higher grade in a course shall be deemed to have earned the credits allotted to that course.

- (13) The overall performance of a candidate in a semester shall be evaluated in terms of Semester Grade Point Average (SGPA) given by:

$$SGPA = \frac{\sum_{i=1}^n C_i p_i}{\sum_{i=1}^n C_i}$$

Where,

$C_i$  = Number of credits earned in the  $i^{\text{th}}$  course of a semester for which SGPA is to be calculated.

$P_i$  = Grade point earned in the  $i^{\text{th}}$  course.

$i = 1, \dots, n$  represents the number of courses in which a student is registered in the concerned semester.

- (14) A student shall be eligible to be promoted to a next higher semester on securing not less than forty percent of the total credits allotted to all the courses for which the student has registered in that semester excluding the audit courses:

Provided that in the case of a student who fails to secure forty percent of the total credits of a semester, the Vice-Chancellor may, as a special case, on the recommendation of the Dean of the concerned School, permit him to be promoted on medical or any other like reason beyond the control of the student.

- (15) A student shall be eligible for the award of a degree only on obtaining a pass grade all the courses prescribed for a program leading to such degree.
- (16) The overall performance of a candidate in a programme shall be evaluated in terms of Cumulative Grade Point Average (CGPA) given by:

$$CGPA = \frac{\sum_{j=1}^m C_j p_j}{\sum_{j=1}^m C_j}$$

Where,

$C_j$  = Number of credits earned in the  $j^{\text{th}}$  course of the Programme for which CGPA is to be calculated.

$P_j$  = Grade point earned in the  $j^{\text{th}}$  course; A grade lower than D (i.e. grade point < 4) in a course shall not be taken into account

$j = 1 \dots n$  represents the number of courses in which a student was registered and obtained a grade not lower than D up to the last semester of the Programme for which CGPA is to be calculated.

- (17) In case of any difficulty, regarding the award of grades or working out SGPA or CGPA, the decision of the Vice-Chancellor shall be final.

- (18) (a) The list of the examiners and moderators for all examinations, except for Ph.D. degree shall be drawn up by the Board of Studies and submitted to the School Board concerned. The School Board shall scrutinize the list and forward the same to the Executive Council for approval in consultation with the Academic Council.
- (b) The examiners for Ph. D. Degree shall be appointed by the Executive Council in consultation with Academic Council on the recommendation of the School Board.
- (c) The paper setters appointed by the University shall be required also to provide the following alongwith the manuscript of the question paper:-
